

Your Certified and Licensed Radiologic Technologist

EDUCATION

- Associate Degree or higher from a 2- or 4-year accredited program
- Approximately 1,000 clinical practicum hours
- Proven competency by successful completion of the American Registry of Radiologic Technologists' (ARRT) certification exam

BY THE NUMBERS

- Over 13,500 certified and licensed radiologic technologists in Ohio

SAFETY

- Educated in patient safety, radiobiology, and radiation protection, thereby reducing radiation exposure to the patient and others

PATIENT CARE

- Provide patient education, quality medical images and therapy, and radiation protection
- Resulting in fast and accurate diagnosis and treatment, decreased healthcare costs, reduced patient anxiety, and higher patient satisfaction

IMAGING CREDENTIALS

- Thirteen certification exams offered by the ARRT, including, but not limited to:
 - Radiography (R)
 - Computed Tomography (CT)
 - Magnetic Resonance (MR)
 - Mammography (M)
 - Nuclear Medicine (NM)
 - Radiation Therapy (T)

**Radiologic Technologist =
Essential Healthcare Worker**

VISION

To promote clinical excellence in radiologic technology

MISSION

We advocate for radiologic technologists by advancing professional practice to enhance patient care.
