Is Everyone Ready for Spring?!

Wow! Does it feel like January lasted 50 days instead of 31 this year to anyone else? I am all about wearing warm, comfy pants and sweatshirts, but c'mon OHIO...this winter weather has got to go! Bring back the warm sun, chirping birds, and the OSRT Student and Educator Symposium!! Registration is open now, so plan to join us April 9 - 10, 2025, at the Hilton Columbus/Polaris. This event provides a litany of events for students and educators.

Attention all graduating students!!! Do you want to be ready for the ARRT Credentialing Examination? Do you want to know what to expect on testing day? Do you want a review of the topics? Then, the OSRT SES is the place for you! There will be four (4) ARRT content review sessions, the Philip W. Ballinger Student Self-Assessment Exam, and the Quiz Bowl Competition for students. The OSRT Education and Research Foundation (ERF) will also host the Clinical Case Study Presentations and present student grant and scholarship award winners at this event. Please consider making a donation to the OSRT ERF to help support the funding of these amazing grants and scholarships for OSRT students!

Stuff with Stokes

Educators have the opportunity to attend the JRCERT Outcomes Assessment Workshop in conjunction with the OSRT SES on April 9, 2025. This 4-hour session will provide an in-depth explanation of the assessment process and compliance with JRCERT Standards. Registration is required for this event and limited to 25 seats. Be sure to reserve your spot [here](#). In addition, educators can obtain 13 CE credits from amazing professionals on a wide variety of topics. At the OSRT SES, there is something for everyone!

Events like the OSRT SES and Annual Meeting offer a refreshing change from our daily routine. They provide inspiration, motivation, and fresh perspectives that can reignite your passion for your work. Even if you think you “know it all”, there is always some bit of information from these events that you can implement in your place of work or life. I encourage you to take the time out of your very busy schedule to increase your personal knowledge and understanding of radiologic technology.

Networking is another major advantage! Engaging with peers can open doors to new opportunities, mentorships, and collaborations. These connections can prove beneficial for career advancement, personal growth, or simply just expanding your professional connections.

The OSRT 84th Annual Meeting will be held at the University of Cincinnati Blue Ash College on Friday, September 26, and Saturday, September 27, 2025. If you are interested in presenting, please contact the OSRT Operations Manager (osrt@osrt.org). Please check the OSRT website for an official schedule of events and registration information after the April SES event.

I hope to see you at any or all of our OSRT events in 2025! We are truly lucky to have a state society that has been able to advocate and support medical imaging professionals for 87 YEARS! Seriously – the work is real for every volunteer within the OSRT. This work is also VITAL for the continuation of the OSRT. Please consider volunteering to help the society grow, evolve, and continuing to advocate for the profession!

To all students graduating this spring, good luck on your ARRT examination. I wish you success in the amazing career path you have chosen. Please consider giving back to the profession once you settle into your new career. Every little bit counts!

Happy Spring!

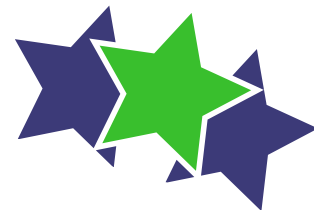

Allison

OSRT PRESIDENT

2025 ASRT Election

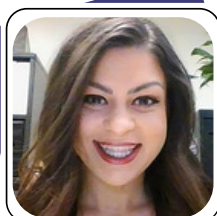

The ASRT Election will close on March 4. If you are an ASRT member (both active and student), please check out the OSRT members in the election below and consider giving them your vote. We want to ensure we are well-represented and have a solid national voice!

Julie Gill, Ph.D., R.T.(R)(QM), FASRT
ASRT Special President-Elect
Candidate

**Alisha Guerrero, M.B.A.,
R.T.(R)(CI)**

Cardiac/Vascular Interventional
Chapter Candidate

**Melissa Machingo, M.B.A.,
R.T.(R)(CT)**

Computed Tomography
Chapter Candidate

**Quest Folck, M.S.R.S.,
R.T.(R)(CT)**

Education
Chapter Candidate

**Gary Greathouse, M.S.,
R.T.(R)**

Management
Chapter Candidate

**Stacey Copley, M.S.,
R.T.(N), CNMT**

Nuclear Medicine
Chapter Candidate

**Lucas Gross, M.S., R.T.(N),
NMTCB(CT), CMNT, RSO**

Nuclear Medicine
Chapter Candidate

**Eric Hertenstein, M.B.A.,
R.T.(CT), CNMT, PET**

Nuclear Medicine
Chapter Candidate

**Andrea Tschirner, R.T.(R)
(CT)(BD)**

Radiography
Chapter Candidate

OSRT NOMINATIONS ARE OPEN!

Are you or someone you know passionate about the medical imaging and therapy profession? Please consider submitting a nomination for the Ohio Society of Radiologic Technologists Board of Directors. **Nominations for Director-at-Large (September 2025- September 2028 term), President-Elect, Technologist of the Year, and Life Member are now open through May 15!**

Qualification requirements, expectations, and more information can be found on the [OSRT website](#).

Candidates for Director are expected to:

- Attend the entire Leadership Academy, if not previously attended, on June 27 and 28
- Attend the Annual Meeting, September 26-27
- Attend all Board meetings during the term of office.
- Chair, vice-chair, or be an apprentice on a committee during the term of office
- Participate in additional committee work
- Committee meetings are held at the discretion of the chairperson and are generally conducted face-to-face or virtually
- Term commitment is three years.

OSRT Annual Meeting

September 26-27

**University of Cincinnati Blue Ash College

STUDENT SPOT!

Student Cardinal Rays

2024-2025 Student Director

SHAYNE CAUDILL, S.T.

University of Cincinnati Blue Ash College

As the OSRT Student Director, I am incredibly honored and excited to represent the organization in multiple capacities— as a student, a future technologist, and a participant in the ASRT Student Leadership Development Program. This role is a tremendous opportunity to advocate for student engagement, contribute to the growth of our profession, and gain invaluable leadership experience. I am eager to learn from dedicated technologists who have fostered a collaborative and supportive educational environment.

I look forward to serving as a liaison for students, connecting with mentors, and ensuring that student voices are heard and represented within OSRT.

ASRT Student to Leader Development Program

The following students were selected to participate in the ASRT Student to Leader Program. They will attend the ASRT Annual Governance and House of Delegates Meeting in Reno, NV, in June. Check out the next issue to learn more about them.

Kate Collins

The Ohio State
University

Shayne Caudill

University of Cincinnati

Jennifer Allen

Northern Kentucky
University

STUDENT SPOT!

Student Cardinal Rays

Are you attending the Symposium? Here's some FAQs!

WHAT SHOULD I WEAR?

Wear comfortable but professional clothing. Business casual, jeans, casual tops, and school attire are great during the conference and sessions. Sometimes, the room temperature fluctuates, so plan on layering.

Please refrain from wearing athletic wear during the conference, such as leggings or athletic shorts, crop tops, or clothing with offensive language.

I AM REGISTERED FOR THE BALLINGER EXAM (MOCK REGISTRY), WHAT DO I NEED TO BRING?

- A fully charged device (laptop, tablet, phone). Ensure updates to the device have been installed prior to attending.
- Feel free to bring a power/battery pack. You will not be able to charge your device during the exam.
- A non-programmable calculator or use the one on your device.
- Earplugs (not earbuds) if you wish to use them

MY FAMILY MEMBER/FRIEND WANTS TO SEE ME PARTICIPATE IN QUIZ BOWL. CAN THEY ATTEND?

Yes, guests can attend the Quiz Bowl competition for free. Please contact osrt@osrt.org with the name of your guest(s), and a guest badge will be ready for them at the registration desk.

ANYTHING ELSE I SHOULD KNOW?

Come ready to learn and have fun! Bring something to take notes - you will be learning a lot. Some programs have vendor tables and will be selling items. Some accept Venmo/PayPal; others might only take cash.

Student & Educator Symposium

APRIL 10-11, 2025

Hilton Columbus/Polaris

The 2025 OSRT Student and Educator Symposium is just around the corner, and we can't wait to see you there! This symposium is designed with educators and students in mind; everyone is welcome to join.

Last chance to register!

Meet new colleagues, learn new things, and have a great time at the Symposium! We look forward to seeing you in Columbus in April!

The registration and payment deadline is March 24.

Don't forget to reserve your room!

The Hilton Columbus/Polaris is offering a discounted room rate to our group of \$174.00/night plus tax. You must reserve your room by March 19, using this link to receive the discount: <https://www.hilton.com/en/attend-my-event/cmhpohf-90j-f4d72706-4405-4979-bc56-923b074891fb/>

JRCERT Workshop!

Additionally, the JRCERT will offer a half-day Outcomes Assessment Workshop on Wednesday, April 9, 2025, from 1-5 pm. You can register for this seminar on the [JRCERT website](#). Registration for the workshop ends April 3.

Foundation Corner

Hopefully, we've made it through the darkest and coldest part of the year, and Spring is peeking just around the corner. The OSRTERF Trustees look forward to seeing you at the OSRT Student and Educator Symposium in April.

The mission of the OSRTERF is to financially support students and radiologic technologists engaged in education and research to promote the highest quality professional practice. To support our mission, we look forward to giving many student grants at the Student and Educator Symposium! We want to thank the family and friends of Marlene Duran for the many generous memorial donations given in her name. These donations will fund several student grants this year.

The OSRTERF Trustees would also like to thank our other generous contributors:

- Leisa Arnold
- K. Fehrman
- Denise Moore
- Margie Iagulli
- Lauren Huffman
- The Ohio Radiological Society (ORS)
- RadTech Resource Group

thank you

While attending the Student and Educator Symposium (SES), please stop by the OSRTERF table and participate in our fundraising raffle. Last year's raffle raised enough to fund two (2) grants. The OSRTERF could not have given these grants without your support!

If you can't attend the SES, you can donate online or send a check to the OSRT Operations Manager. No gift is too small to help students, technologists, and therapists in our profession.

DONATE

Foundation Corner

**Calling all first-year Radiologic Sciences/
Therapy students**

OSRTERF Student Trustee Program

First-year radiologic science and therapy students—Get involved in your profession by becoming a Student Trustee on the OSRTERF Board of Trustees.

The Student Trustee will serve on the OSRTERF Board from June 1, 2025, until May 31, 2026 (or graduation if that is earlier than May 31, 2026). The selected student will be able to develop leadership skills, expand professional relationships, and serve the profession. The selected student will also receive the \$500.00 OSRTERF Student Trustee Leadership Grant.

Applications are due by May 1, 2025. [Click here](#) or scan the QR code for more information

If you have questions, contact the OSRTERF Chair, Terri Bruckner, at Bruckner.terri@gmail.com.

OSRT'S VERY OWN HELPING AFRICA'S NORTHWEST COAST

IN JANUARY 2025, OLIVIA ENRIQUES TRAVELED ACROSS THE NORTH ATLANTIC OCEAN TO HELP TEACH CLINICAL EDUCATION, PATIENT CARE AND RADIOGRAPHIC POSITIONING TO 9 RADIOGRAPHY STUDENTS WITH THE HELP OF RAD-AID.

THE RAD-AID ORGANIZATION AIMS TO IMPROVE RADIOLOGY HEALTHCARE IN MEDICALLY UNDERSERVED REGIONS OF THE WORLD.

“THE RAD-AID TEAMS ARE DEVELOPING INITIATIVES FOR BREAST IMAGING, INOFRMATICS (PACS), ULTRASOUND AND RADIOGRAPHY, WITH A NEW PORTUGUESE TRANSLATION OF RAD-AID RADIOLOGY-READINESS ASSESSMENT TOOL TO MORE WIDELY ENGAGE CABO VERDEAN HEALTH INSTITUTIONS”

SERVING WITH HEART!

OSRT members, family, and friends joined together to serve dinner at the Ronald McDonald House of Central Ohio on Sunday, February 23. Pictured below are Tricia Leggett, Quest and Tom Folck, Tiffany and Abby Roman, Todd Koehn, Kris Seitz, and Julie Gill

OSRT FELLOWS

Fellows is an honorary designation representing a significant breadth and depth of contribution to the OSRT and the medical imaging and radiation therapy profession. A Fellow is an exemplary leader who has consistently served, advocated for, and supported the advancement of the profession.

Applicants must:

1. Be a current OSRT member in good standing.
2. **Submit the online application by May 15**
 - Attach a professional CV or Resume to the online application.
 - Verify degree and/or certification status by the American Registry of Radiologic Technologists (or equivalent medical imaging certification) by either diploma or certification.
 - Submit a non-refundable application fee of \$50.00 at the time of application for Fellows.
 - Verify past or present professional organization membership(s).
3. Achieve a score of 75 or more during the Fellows committee's evaluation using the Fellows Status Point Scale Rubric.

New May 15
DEADLINE

Selected candidates will be elevated to Fellows status at the Fellows Ceremony during the Francine Todd Memorial Honors Reception at the Annual Meeting of each year (September). Elevated Fellows will be presented with an award at the ceremony.

A TRIP DOWN *Memory Lane*

This issue takes us to July 1988 and highlights the 29th Annual Educational Meeting held in North Canton, May 5-7, 1988. Do you recognize anyone in the pictures?

President's Page

Joe Fodor, III, R.T.

If you were not in North Canton on May 6th and 7th, then you missed it. Karen Hurlless, R.T.(R) and Sam Courie, R.T.(R) put together an excellent meeting. A great deal of educational and social exchange occurred. Joan Parsons, R.T.(R), the keynote speaker, put in perspective what professionalism really is on Friday morning. And, as always the Quiz Bowl was as exciting as it was educational. A big thank you goes out to Jim Byrne, R.T.(R); Steve Dietrich, R.T.(R); and Rick Carlton, R.T.(R); co-chairpersons of the Education Committee. A big congratulations goes out to all the students and advisors who participated. A full report on the meeting and the Quiz Bowl can be found in this issue.

It was with regret the O.S.R.T. Board of Directors accepted the resignation of Jack C. Malott, R.T.(R) as Junior Member of the Board of Directors. Increased responsibilities at work, chairmanship of the Editorial Committee of the A.H.R.A. and a desire to spend more time with his family, prompted the decision. The Board of Directors would like to thank Jack for his numerous contributions to the society.

Other business of interest transacted at the Mid Year Board meeting is summarized below:

1. It was determined to allow the membership to determine the voting status of the Continuing Education Coordinators on the Board of Directors. This will be accomplished with a proposed bylaw change which can be found in this issue.
2. Proposed bylaw changes will be voted on at the Annual Meeting as a result of the resignation of a board member. These can be found in this issue, also.

3. The Public Relations Committee will begin having two staggered co-chairpersons to better enable the committee to promote National Radiologic Technology Week (NRTW), which usually follows the annual meeting. This committee will distribute TV and radio public service announcements to local societies, and contribute NRTW buttons at the annual meeting.
4. It was finalized that the 1989 and 1990 Education Meetings will be held in Columbus in an attempt to centralize our largest meeting and help keep costs low through long-term hotel contracts. This is an experiment which will be evaluated by the Board. Please provide us with input on this matter.

On the legislative front, Bill Finney, and our lobbyist, Fred Vierow, continue to negotiate with groups who oppose our bill. We hope to have the bill redrafted before the annual meeting. While hopes of a licensure in 1988 are dim, the candle is still flickering. The hope for licensure in 1989 is promising, as many of our problems are being resolved this year. Please contact your Senator and indicate the status of the bill and the fact that we are trying to meet the needs of our opposition. If this issue takes off this summer, I will be in contact with each of you for that help we will need to make licensure a reality in Ohio.

I would encourage everyone to attend the 1988 Annual Meeting, to join in the celebration of our 50th Anniversary. Several special events are planned. As you are probably aware, the meeting will be held in Independence, Ohio (Greater Cleveland area). I urge you to attend as there are several important pieces of business to be taken care of, including bylaw changes and a discussion on licensure. I look forward to seeing each of you there.

This is my last opportunity to address the membership via the *Buckeye Rays*. Thus far, I have enjoyed the Office of President and I would like to thank the members for giving me the opportunity to serve in this capacity. If you have any questions or concerns, please feel free to contact me.

O.S.R.T.'s First President

Mary Adkins, R.T. of Lima served as O.S.R.T. President for two consecutive terms from 1938-1940. Mary, being a truly dedicated professional was re-elected as president for a third term in 1948-1949. She will always be remembered for her leadership!

Mary E. Adkins, R.T.

29th Pictorial Highlights

Come on, are you really a member?

Nina: Doesn't anyone know what K.V.F. does?

Bill Mulkey, R.T. "Of course, I was an Angel as a student."

David Martino, R.T. President of Kentucky Society No, Really... Kentucky's OK!

Diane Fleury, R.T. I get WHAT for a dollar??

Student self assurance exam Oh geez, will this ever be overrrr?

Are we having fun yet?

We're having some fun now!

Let me slip into something more comfortable...

BOARD OF DIRECTORS MEETING SCHEDULE

All are welcome to attend the Board of Directors meetings. **They are free to attend, but pre-registration is required.** Please contact the OSRT Operations Manager for more information or to register.

- **Wednesday, April 9, 2025**
In-person at Hilton Columbus Polaris
- **NEW DATE: Saturday, July 12, 2025**
Virtual via Zoom
- **Thursday, September 25, 2025**
In-person / Location TBD

REMEMBER TO RENEW!

Don't forget to renew your OSRT membership! Look on your membership e-card or contact the Operations Manager to see when it is your time to renew.

Renewal notifications will be sent via email before your membership expires. To avoid missing these emails, set the OSRT email as a trusted sender so our emails don't end up in your junk folder. Also, be sure that the email you are using is the email in your member profile.

Why renew? Well, why not? OSRT membership has many benefits, including professional advocacy, discounted rates for CE opportunities, networking, scholarships, and volunteer opportunities. For more information, check out our [membership benefits](#).

SPEAKERS WANTED

The OSRT would love to have you share your knowledge and passion about medical imaging, radiation, and healthcare topics.
