MetroHealth Medical Center | 2500 MetroHealth Dr, Cleveland, Ohio 44109

Here at MetroHealth, we are introducing to the community, our patients and our employees, a brand new, sustainable hospital. The Glick Center is our new state-of-the-art Main Campus hospital, scheduled to open on October 15, 2022. This is a historic event, for both our organization and for our city. It will be the culmination of years of planning and hard work to bring into reality the hospital our patients and staff deserve.

The Glick Center will have 11 floors and 316 patient rooms. It's named in honor of JoAnn and Bob Glick, who made a historic gift to MetroHealth. This hospital includes \$17 million of brand-new, state-of-the-art Radiology equipment. We would love for you to consider becoming a part of our MetroHealth family.
